

You can, in Portland

Whether you call it PDX, P-town, Stumptown, the City of Roses, Bridge City, or simply Portland, you'll want to visit this vibrant destination in the Pacific Northwest for its eccentric locals, its dynamic downtown — resplendent with microbreweries, coffee shops, brunch spots, and book stores — and the sweeping natural scenery that surrounds it.

Historic in nature, yet contemporary in everything else, The Nines is a Portland luxury hotel ideally situated in downtown, steps from Pioneer Square and the central business district. A destination in itself this beautiful historic building is the ideal home base for exploring the local area.
