

Is 'Jeep in' Michigan?

Yes...

and we're based in Michigan, too, but we are...

Who is GPIN?

The staff – Michelle Tofilovski, Special Projects Coordinator, and Kate Upton, Executive Director – who work from their respective homes on opposite sides of metro Detroit ...

... but GPIN really is...

How do GPIN members share?

WITH GPIN'S HELP

1. Face-to-face, at the 48 hour conferences
2. Virtually, via scheduled sessions
3. Using email, by sending questions to Kate and responding to them
4. Online, by posting questions/replies to the forum at www.gpin.org

THEN, to learn more from one another...

WITHOUT GPIN's HELP

1. Site visits
2. Telephone conversations
3. Email conversations

Why else do we belong to GPIN?

- Comprehensive weekly healthcare news summary emailed at the end of each week
- Email received from a physician leader after our conference:

I just wanted to thank you again for your care and effort to make sure that the conference ran perfectly. Of all the medical, administrative, and scientific conferences I have been to over the past 20 years, this was one of the most fruitful and fun.
